MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with Discovery Reporter

1. On 9 January 1985, I received a call from Wayne Biddle who identified himself as a reporter from Discovery Magazine, an affiliate of Time Magazine. He said that he had obtained my name from a staff member (whose name I did not recognize) of Representative Jack Brooks. He said that he wanted to discuss polygraph issues for a story he was doing on the polygraph. He said that he had read the Office of Technology Assessment report on polygraphs.

2. I referred him to George Lauder, Director, Office of Public Affairs.
